This is his story and how he discovered, that in the middle of his lostness, God had never lost Him and his awakening to God's amazing plan for his life. It could be your story. God Help Me To Find My Way is an inspirational book exploring how God has a plan for our lives, A plan for good and not for evil, a plan for You to have a future, a plan to have hope. God Help Me: Help Me God to find my Way is written to account for a logical thought process in the journey of discovery of how God wants good to prevail in your life. When we are at the end of ourselves, we cry out, Help Me God to Change My Life. We need to be open in that moment to let God speak to us and hear what He says to us. Help Me God To find My Way is intended to shine a light of revelation on our hearts to reveal to us how to find the direction we so desperately seek. God is just waiting for us to seek Him with an honest desire so he can reveal Himself to us. If You feel alone, lost or unhappy with life, this book could just be what you need to find your way.
