After graduating, Lori Maddox heads off travelling and arrives in China where she finds work as a private English tutor. Back in Manchester, her parents Jo and Tom follow her adventures on her blog. Suddenly communication stops. When the silence persists a frantic Jo and Tom report her missing. But it's impossible to find out anything from so far away, so they travel to Chengdu to search for their daughter. Landing in a totally unfamiliar country, with no knowledge of the customs or language, and receiving scant help from the local authorities, Jo and Tom are forced to turn detective.
