Excerpt from Report of the Adirondack Committee: Assembly of 1902 In our Opinion the existing contract which requires the total destruction of from 500 to 800 acres of forest every year should be abrogated, either by mutual consent of parties, or upon the best obtainable terms, if there are no legal grounds for procuring its cancellation. The State can well afford to indemnify Cornell University against all liability when its larger and lasting interests are considered. In future negotiations the State should either have a part in the making or approval of contracts for the sale of timber products, and control the course of operations in the woods, or should promptly withdraw financial support from the college forest establishment. To protect its own property and that of citizens adjoining, we recommend a sufficient appropriation for immediately removing the brush and debris now covering the fields of recent cuttings and forming a labyrinth of combustible material where accident or criminal intent will start forest fires if allowed to remain. Neither private owners nor agents of the State should be permitted in future to create similar conditions. We earnestly suggest, and with proper deference to the contention of those feeling qualified to speak with authority, that the work of removing old forests be stopped, and that efforts in the science of forestry be directed for a period to the management of nurseries for seedlings, and the replanting of waste places now extending over thousands of acres of State lands in the Forest Preserve. There is an opportunity for usefulness in this unlimited field where no adverse criticism need be feared. About the Publisher Forgotten Books publishes hundreds of thousands...
