Polar Bear Company, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Maine summers of the 1950s and 60s, seen through the experiences of a young boy skilled in sailing Casco Bay. This collection of vignettes and adventures brings the insights of growing awareness with the discovery of coastal communities and their often challenging shoreline. Included is the author s story of encountering the tragic history of Malaga Island and its neighboring island, where he lived and explored during formative years and where he has returned today. Luminous, lyrical, Peter Blachly s stories of childhood summers in Maine are a wondrous reminder of what s important in life. He has me laughing, weeping, visualizing seals and summer storms, remembering the smell of the sea air and promising myself to love the simple. -Chellis Glendinning, author of My Name is Chellis I m in Recovery from Western Civilization.
