Jason Aronson. Paperback. Condition: New. 232 pages. The discussion of sexual or loving feelings in therapy, while not for those averse to risk, can create and deepen emotional intimacy in a way that no other aspect of human relatedness can. Treating patients who develop erotic transferences and working with ones own erotic countertransference, present treatment and professional vulnerabilities for the therapist. In this provocative volume, Dr. Florence Rosiello addresses erotic dynamics in the treatment relationship within the context of a two-person therapy, emphasizing the necessity of mutuality and emotional reciprocity between patient and therapist. With rich clinical illustrations, she demonstrates how the intimacy created by working within the sexual dimension of the therapeutic relationship may present opportunities for insight and growth that could easily be missed if one seeks to avoid these highly charged issues. Focusing on those patients who are predisposed to relating to others in a sexualized manner, Dr. Rosiello has discovered that mutual exploration of both the therapists and the patients subjective experience offers a valuable and effective means of enhancing the treatment. Todays psychotherapist is faced with the important challenge of making use of his or her individual voice and temperament. Florence Rosiello takes up this challenge where others might avoid it, in the difficult arena of the erotic transference and countertransference experience. Dr. Rosiello uses creativity laced with humor to demonstrate how her unique point of view can be used in this context to deepen the relationship between therapist and patient. EMMANUEL KAFTAL, PH. D. INSTITUTE FOR CONTEMPORARY PSYCHOTHERAPY, NYC. Dr. Florence Rosiello has written an important, pioneering book. It is composed of a collection of clinical experiences with patients who have developed erotic transferences. These experiences reflect a wide range in gender and sexual orientation configuration of patient and therapist. As Dr. Rosiello points...
