THE WOLF IN THE PARLOR: THE ETERNAL CONNECTION BETWEEN HUMANS AND DOGS

Tantor Media, Inc, United States, 2009. CD-Audio. Book Condition: New. Unabridged. 192 x 136 mm. Language: English . Brand New. Of all the things hidden in plain sight, dogs are one of the most enigmatic. They are everywhere, but how much do we really know about where they came from and what the implications are of their place in our world? Jon Franklin set out to find out and ended up spending a decade studying the origins and significance of the dog and its peculiar attachment to humans. As the intellectual pursuit of his subject began to take over Franklin's life, he married a dog lover and was quickly introduced to an ancient and powerful law of nature: Love me, love my dog. Soon Franklin was sharing hearth and home with a soulful and clever poodle named Charlie. And so began one man's journey to the dogs, an odyssey that would take him from a 12,000-year-old grave to a conclusion so remarkable as to change our perception of ourselves. Building on evolutionary science, archaeology, behavioral science, and the firsthand experience of watching his own dog evolve from puppy to family member, Franklin posits that man and dog are more than just inseparable; they are part and parcel of the same creature. Along the way, *The Wolf in the Parlor* imparts a substantial yet painless education on subjects as far-ranging as psychological evolution and neurochemistry. In this groundbreaking book, master storyteller Franklin shatters the lens through which we see the world and shows us an unexpected, enthralling picture of the human/canine relationship.
