Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When heartbreak is met with indefinite isolation, the perfect storm ensues. Written exclusively during Hurricane Harvey and its aftermath, *Clearing in the Clouds* delves into the heart of unrequited love, loneliness, and longing. Each chapter interweaves meticulously structured poetry and storytelling to detail the whirlwind of emotions solitude brings. What initially began as a coping mechanism transformed into an honest account of depression, with splashes of existential crisis and meta-humor. All adversities eventually subside to reveal brighter days ahead.
