McGill Fortnightly, Vol. 1: February 2, 1893 (Classic Reprint) (Hardback)

By Gordon W Macdougall

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from McGill Fortnightly, Vol. 1: February 2, 1893 The students also are overworked. According to the timetables as set forth in that excellent annual, the Calendar, the Science students work seven hours a day for five days a week, excepting Saturday, when it is three hours less, making thirty-nine hours a week. In the Arts Faculty the hours for all years are fifteen a week. Work done under such pressure cannot be of the best kind. The Medical Faculty had the same difficulty when the transition came from the old didactic to the new practical system, and partially solved it by adding a summer session to the course.
