The RTA is the region s public transportation agency and the employment mecca for many of my immediate and distant relatives. I am single and have been since September of the prior year because my high school sweetheart, long time friend and lover, Kimberly broke it off with me. However, we still have a connection, a connection that brings us together on many occasions because of our family s history and because our love for one another has not faded. Meet the women that unknowingly help me fail myself and Kimberly in my endeavors. Allow me to take you on a journey of passion, love, sloth, and self-indulgence to near hedonism. Will I find the love I desire? It took a life time to record the events you will read, five years of transferring the entries and creating the fictional world you will enter when you start reading TG4U Presents: My Life In Transit, The First Year Journal Entries of a Transit Worker s Career and two years to make it the epitome it is today.
