Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After decades of foraging bookstores and the internet I have finally found my reference book source for no-holds-barred politically incorrect conservative wisdom, and enlightened myself in the process of creating it. ConservaLexicon is meant as an essential educational resource for any who seek enlightenment and wish to halt the advance of cultural indoctrination. Each entry in my Lexicon is a potential study, story or book condensed into a paragraph. I cover a...
