MASTER MEMOS: ILLUMINATION 2014

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 176 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. Master Memos presents Spiritual impressions as living streams of consciousness from the realms of ancient and modern inspiration. The Great Teachers guide infant Humanity with words and concepts appropriate to the events of their time and the level of conscious understanding of the individuals with whom They interacted and taught when They walked this Earth. Over time, many of the teachings have been lost, misdirected (consciously or unconsciously) or simply incorrectly applied. Master Memos attempts to draw forth a common thread from the many teachings via meditation...
