As you read, you ll feel as if she s confiding in you as a close personal friend. That s because she never holds back and shares all of her personal and embarrassing secrets with you. You ll laugh out loud at Allison s uncensored commentary on life as she captures the genuine essence of teen angst. From bad boyfriends, gut-wrenching break-ups and awkward sexual encounters to car accidents, suicide attempts and her over-bearing Italian family. Allison has been to hell and back and literally crapped her pants on the way. But shame is not part of Allison s world. She s unpretentious, honest and shares all the tawdry details with you. She learned to survive by developing her keen sense of humor and expressing her emotions through a variety of artistic mediums. Allison is an inspirational human being and her stories are truly captivating. Fans of Charles Bukowski and David Sedaris will enjoy Allison s raw and unapologetic writing style.
