To rise out of nothingness for the world to see To speak from my heart, a mind flowing free To release from my soul, my poetry To be liberated from within is How deep I can be To reveal a misunderstood, hidden part of me To dispel preconceived notions with reality To share my past, present, and sweet destiny To paint a portrait of my life is How deep I can be To write what I hear and then call it poetry is Only one example of How deep I can be In this deeply personal, yet profoundly universal collection, poet John D. Evans captures the life story of a young adult in urban America who was born in obscurity, overcame insecurity, and has lessons and stories to share. With titles like I Remember When, The Murder of Madam Roach, and Reality Check, these thoughtful poems illuminate the P s and D s of life--Portraits, Power, Party, Dreams, Decisions, and Drama. Brave and unashamed, this ponder-worthy poetic journey will enlighten readers of all ages.
