

The Key to the C-Suite: What You Need to Know to Sell Successfully to Top Executives (Paperback)

Filesize: 5.68 MB

Reviews

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.

AMA Self-Study, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As economic realities press ever more forcefully on business, executives will be keenly aware of the specific financial ramifications of every large buying decision. In fact, they re unlikely to pull the trigger without the direct and detailed involvement of their own finance teams. In short, the buy will be tied not just to a general sense of strategy but also to individual, targeted components of a budget or forecast. To sales professionals like you, this means understanding how top executives evaluate and prioritize potential purchases, recognizing the challenges they face, and presenting your product or service as a value proposition. Packed with real financial knowledge, but geared toward the layman, The Key to the C-Suite identifies and defines ten key financial metrics that C-Suite executives use throughout their buying-decision process and shows you how to build your value proposition and business case to complement theirs. The book also guides you in: - Defining your value and building a value inventory - Calculating and communicating your potential value impact on a prospect s C-Suite metrics - Discovering and analyzing prospects financial information so you can tailor your approach to their financial realities - Forming and asking the questions that will repeatedly lead your prospect back to your value proposition - Preparing and delivering the formal presentation to C-level executives The Key to the C-Suite also provides an array of powerful tools to help you not only redesign your general business approach but also tailor it on a prospect-by-prospect, client-by-client basis. In addition to resource information on where to find financial metrics for corporations in 19 major industries, you will have: - Clear definitions and examples of the financial metrics used in...
