## THE VERY HEART OF WORSHIP: KNOWING AND BELIEVING GOD IS (PAPERBACK)

Faith Books Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Very Heart of Worship is a penetrating examination of what it means to know, believe, and worship the one and only God, who is truly available and able to help those in need of hope and healing. The book serves as a lighted path to spiritual healing and health for believers and other pilgrims struggling to make sense of life s twists and turns. As it highlights several names of God, including Liberator, Counselor, Provider, Teacher, Healer, and Deliverer, readers are introduced to the many facets of God and His diverse personality. Perhaps contrary to popular belief, God is presented here as the One who desires and delights in a dynamic personal relationship with each and every one of us. Whether you are a longtime believer, a relatively recent convert, or simply someone seeking to learn more about the God of the Bible, The Very Heart of Worship invites you to dispose of your preconceived notions of the nature of God. For readers of all persuasions, it is a welcome invitation to know God and not simply more about God.
