ZONDERVAN, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Reading Biblical Greek introduces first-year Greek students to the essential information needed to optimize their grasp of the fundamentals of the Greek language-no more and no less-enabling them to read and translate the Greek of the New Testament as soon as possible. Thus, the content is structured and tied to a specific Greek text to enable reading as soon as possible. The student will have read and translated the whole of Mark 1-4 by the end of the course. The accompanying Reading Biblical Greek Workbook is a vital part of the approach. It breaks up the text of Mark 1-4 into manageable portions and...
