Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book, written by a Christian for Christians, begins with the story of Abraham, then introduces Mohammed and traces the growth of Islam through the centuries. Next follows a comparison of the themes of the Bible and the Quran, and an outline of some of today's viewpoints in both Christianity and Islam. The book continues by describing current trends in inter-religious relationships, then offers suggestions for Christians as they stand for Christ in this increasingly Muslim world. I found the book very informative from the prologue to the last page. The author is talented in her way with words, writing in a manner that is easy to understand. The chapters are each thought-provoking and offer a lot of information to digest. Any person who has questions about the Muslim way of life, especially from a Christian standpoint, will find answers to many, if not all, of their questions.
