Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fraud is the fastest growing criminal activity in the world. Every day people get fraudulent telephone calls, emails and letters. Most of us just ignore them but a large portion of the population are duped and end up as victims of these crimes. The book examines fraud in seven common venues, credit cards, debit cards, telephones, email, Internet, identity and on the street. In each case frauds are described and practical ways to protect yourself are discussed. There are several common characteristics of all frauds and once you learn these you will be better able to recognize a fraud and take the steps necessary to prevent it from happening to you. Anyone can be the victim of fraud. It doesn't matter how old you are, how intelligent you are, or how street smart you are. Many frauds are perpetrated on people without them even knowing. The best we can do is educate ourselves about frauds and how they work so we are not a victim. The book walks you through a comprehensive list of things you should...
