Mercury HeartLink. Paperback. Condition: New. 298 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. In her humorous and poignant memoir, *Living by Ear*, Sharon Rhutasel puts readers into a classroom with the kinds of adolescents everyone knows. She brings to life real kids sharing a part of their lives with a wayward teacher, as she calls herself, who is guided more by her heart than by her lesson plans. Among her students, we meet a bored overachiever who just wanted to be pointed in an interesting direction and told to explore, an insecure boy who overcame stuttering to become a published writer, and a poet who hated high school then became a teacher. Along with taking us through parts of her fifty-one years of teaching, Rhutasel gives us the backstories of her role-model father and the childhood sweetheart she married even though he caused her to break her nose by crashing into a fire hydrant. As *Living by Ear* continues to unfold, we experience the tragedy of her widowhood as well as the vicissitudes of her second marriage to a mirror image of herself. She sprinkles poems and recipes into tales of barbers, a music teacher, and a fishmonger. Some of her stories can serve as a tantalizing tour through parts of Africa as well as northern New Mexico. Through it all, we know she has listened to her heart, insisting that our hearts have a special kind of wisdom that is inaccessible to rational thinking. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
