Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A coming-of-age tale told in eight parts. Toiling under a hot summer sun in the early Sixties, a group of laborers built an entire community on nothing but mud and swamp. A mottled cast of characters, the crewmen found a connection in their work and a comfort in sharing a drink when the day was done. Among them was the kid, a young man working his way through college by laying bricks over school breaks. What he discovered on Mystic Isle was as valuable as anything he d learn in the classroom. These are his stories.
