KW Publishers, New Delhi, India, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The causative factor for the existence of the Naxal movement in India is ideological. An in-depth study of the characteristics of the Naxal movement, the book covers the genesis, causative factors, strategy, linkages of the movement and the options and challenges for the Indian state. Recommendations for conflict resolution are also charted out in the book. Now is the...
