SIGNS AND SYMPTOMS IN FAMILY MEDICINE: A LITERATURE-BASED APPROACH (PAPERBACK)

Elsevier - Health Sciences Division, United States, 2011. Paperback Condition: New. Language: English . Brand New Book Signs and Symptoms in Family Practice, by Paul M. Paulman, MD et al, provides a unique evidence-based approach to diagnosis based on presenting signs. Focusing on the most common diagnoses observed in a medical practice, the book helps you think horses, not zebras. A rating system for the sensitivity and specificity of the signs, symptoms, and diagnostic tests aids in the development of...

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
