Tying Knots Collection: 55 Decorative, Ornamental, Outdoor and Survival Knots Book 1. Decorative Knots: 15 Unique and Fusian Ornamental Knots With Step-by-Step Illustrated Instruction Knots have been part of everyday life since the Stone Age. In those times it was an essential way of securing an axe head or similar tool. In modern times knots have become infinitely more complex. There are specific ones for securing a boat, climbing a mountain or even completing a spot of fishing. Learning all the difficult knots can be fun, especially if you are interested in the hobby. However, there is also a huge range of decorative knots. These can be used for practical applications or you can simply make some rope jewelry or even place mats and other essentials for your home. The problem is there are so many knots that it can be difficult to know where to start. Fortunately this problem is solved here. You can discover all the most common terms used when creating knots and learn how to make 15 distinctive and useable knots. Follow the guidelines in this book and, with a little practice you ll be able to do all these knots with your eyes closed. Then you ll be ready to build on the knots and create a new version; one which is entirely your own design! Book 2.
