Hot Key Books, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Roald Dahl by way of Charles Dickens - The Iremongers have taken up what was not wanted and wanted it. Clod is an Iremonger. He lives in the Heaps, a vast sea of lost and discarded items collected from all over London. At the centre is Heap House, a puzzle of houses, castles, homes and mysteries reclaimed from the city and built into a living maze of staircases and scurrying rats. The Iremongers are a mean and cruel family, robust and hardworking, but Clod has an illness. He can hear the objects whispering. His birth object, a universal bath plug, says James Henry, Cousin Tummi's tap is squeaking Hilary Evelyn Ward-Jackson and something in the attic is shouting Robert Burrington and it sounds angry. A storm is brewing over Heap House. The Iremongers are growing restless and the whispers are getting louder. When Clod meets Lucy Pennant, a girl newly arrived from the city, everything changes. The secrets that bind Heap House together begin to unravel to reveal a dark truth that threatens to destroy Clod's world.
