INTRODUCTION TO NATURAL LANGUAGE SEMANTICS

Centre for the Study of Language & Information. Paperback. Book Condition: new. BRAND NEW, Introduction to Natural Language Semantics, Henriette de Swart, This introduction is concerned with the semantics of natural languages. The text examines what issues semantics, as a theory of meaning, should address: determining what the meanings of words of the language are and how to semantically combine elements of a language to build up complex meanings. Logical languages are then developed as formal metalanguages to natural language....
