Excerpt: .degrees of phase to produce a perfect rotating field. The President: We did not have a report yesterday from the Committee on the World s Fair. I know you are getting somewhat impatient, and perhaps want something to eat; but I trust you will compose Yourselves a little while longer. We have with us an eminent gentleman from Chicago, who will talk to you upon the subject of the World s Columbian Fair. I have the honor to present Professor Elisha Gray, of Chicago. Professor Gray: Gentlemen--I feel somewhat embarrassed, and a little as the minister did when he reached sixteenthly, and the congregation, one after another, kept going out. He was one of those traveling Methodist preachers, who preach here in the morning, there at noon and over yonder at night. Finally, he could not stand it any longer. He said: Brethren, I...
