

Ten Thousand Meals Volume 1

By Pa Buckley

PAB Books. Paperback. Book Condition: New. Paperback. 156 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Earth is melting down. As the crack in the Mariana Trench - the deepest point in on the planet - continues to buckle, massive amounts of lava and heat are sent spewing into the atmosphere, releasing pent up geothermal energy and pushing daytime temperatures to over two hundred degrees. The only real chance for survival Earning a ticket on one of the massive space stations created to escape the dying Earth, heading for planets unknown. That is exactly what the Johnson family had managed. Four seats on a rocket to Space Station 222 - SS 222 for short. As the passengers floated on board the zero gravity environment of SS 222, it felt as if all their troubles were drifting away, falling back to the hell hole they had once called home. That is until a preflight survey of the ships supplies was conducted and hard decisions had to be made. Say. . . what exactly does it take for one person to survive a three year trip in space Show more Show less This item ships from multiple locations. Your book may arrive from Roseburg,OR,...

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
