

Valuable Herbal Prescriptions: Various Ailments and Their Treatment by Natures Remedies (Paperback)

By Bradford Medical Institute

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This work of herbal and homeopathic medicine, originally released by the Bradford Medical Institution, is one of the more elaborate pharmaceutical handbooks of its age. With some antiquated (and some not so antiquated) materia medica of sorts within its pages, it is notable for its illustrations as much as its recipes. It is also a fairly good symbol of its era- that of late pre-modern medicine and its fusion of standardization and experimentation with herbal and physical compounds often used for hundreds of years or longer before the 19th century began.

Reviews

This publication is wonderful. Better then never, though i am quite late in start reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be he finest pdf for actually.

-- Ms. Sydnee Lesch

Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.
