

Flora Lyndsay; Or, Passages in an Eventful Life, Vol. II (Paperback)

By Susanna Moodie

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why the apartment, into which Flora retreated on going on board was called a State-cabin, Flora could not imagine. It was really a very small closet, about seven feet in length, and a very little broader than it was long. It contained neither stool, bench, nor chair, and there was just room enough after closing the door, to turn round. The top of a large chest of painted deal drawers, with a raised board in front, and screened by faded red stuff curtains, formed the bed; for which Lyndsay had purchased a hair-mattress and feather pillows, to render it more comfortable during the voyage for his wife and child. This was perched up, however, at such an unreachable height from the ground, that the bed was on a level with Mrs. Lyndsay's chin.
