ACF PIR data reported by grantees included the average Head Start full-time teacher salaries earned annually, regardless of the number of months worked during the year. Salaries reported by the BLS for preschool and kindergarten teachers were estimated average annual wages, based on employer responses to a BLS survey. BLS does not distinguish between full- and part-time workers and assumes that all work 2, 080 hours annually ( which is a 40 hour work week for 1 year ). Finally, we analyzed the U. S. Department of Education data from the Integrated Postsecondary Education Data System ( IPEDS ) to determine the number of schools offering programs in early childhood education and similar fields for years 1998-2000 and the number of programs completed by students in those areas of study for the same time period. While we took steps to determine that the PIR data were sufficiently reliable for this report, we did not independently verify the data provided by the grantees. We conducted our work between February and...
