

Traveling the Merritt Parkway (Paperback)

Filesize: 2 MB

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

Arcadia Publishing (SC), United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. Since 1938, when the Merritt s first 7-mile section was opened to traffic, millions have shared a fascination for Connecticut s Merritt Parkway and its bridges. Discover the beginnings of this groundbreaking advance in American travel in Traveling the Merritt Parkway. This exciting collection of images preserves and pays tribute to the history of the Merritt. Opened for 38 miles on September 2, 1940, it became known throughout Fairfield County, Connecticut, as the Queen of Parkways. A survey made in 1928 called for a two-lane macadam highway to run from Stratford to Greenwich. With \$1 million of state money, construction started on the Merritt Highway in 1932. This pictorial history explores the construction of the parkway as well as the little known parent highway for which the earliest bridges were constructed, including White Plains Road in the town of Trumbull.
