PRACTICAL SUBVERSION (PAPERBACK)

aPress, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Practical Subversion is a guide to the Subversion (source control management system) version control system. It provides a crash course in how to use Subversion, intended to get the reader up and running as quickly as possible. Beyond the quick-start introduction, the book includes advanced topics such as repository administration, Apache integration, third party tools, migrating revision history from other version control systems, and even accessing the...
