Not illustrated. 1906 Excerpt: . serious, he had seen an American general and his officers without pay, and almost without clothes, living on roots and drinking water, all for liberty! What chance have we against such men? In this rude scene might be found one of the most glorious triumphs of the American Revolution.--J. T. Headley THOSE who are familiar with the common limits of history may be surprised at the assertion that no nation has occupied so long the stage of the world, or performed a grander part thereon than ancient Egypt. With the dawn of the Nineteenth Century came the decipherment of the hieroglyphics, furnishing a clear revelation of the true history of that country, its civilization, arts, sciences, literature, government and military conquests. She presents to the admiration of the modern world her long series of works of architecture, sculpture and even painting. Her kings and warriors, engineers and artists are in no wise inferior to the Greek or Roman in the excellence of their works or in the magnitude of their enterprises. The exploits, fabulous and otherwise, of numerous Egyptian kings were assigned by the classical narrators to the sole credit of one hero, whom they called Sesostris. We know now what the Greeks did not, that his right name and title is Ramses II. There are echoes from the remote antiquity of Egypt itself, telling of other hero kings who were called, more deservedly than Ramses II., the Great, for instance, Antef the Great, Thothmes...
