

# The Man in the Cinder Clouds (Paperback)

By Rick Daley

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English. Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A young boy and his scientist father make an incredible discovery at the North Pole-an ancient book embedded deep within an ice core. Even more incredible is the story the book tells: the long-lost history of Santa Claus you never knew.and will never forget. This origins-of-Santa story is a great holiday read for the whole family. Its mix of action, humor, and Christmas spirit keeps younger readers turning the pages, but The Man in the Cinder Clouds is not just a kids Christmas book. This story-within-astory reveals the origins of our most familiar Christmas traditions: from Christmas trees, stockings, and lumps of coal to jingle bells, the North Pole, and flying reindeer. Highly original and thoroughly entertaining, The Man in the Cinder Clouds will show you how Kris Kringle came to be known as Santa Claus. It wasn t easy.
