### **Reviews**

*A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.*

ATLANTIC BOOKS, United Kingdom, 2015. Paperback. Condition: New. Main. Language: English . Brand New Book. Maya wants Nick to be less of a workaholic, to come home earlier, to spend some time with his children. Nick wants a divorce. With his mind made up, Nick is determined to leave. But it comes as a shock to realize how much it will cost him to walk away. As a stay-at-home mum, Maya is entitled to everything. Then an unlikely solution presents itself: Nick needs to act like a better man. If he plays the part of a good husband and father, Maya will become happier and more self-sufficient - and Nick's pay-out to her will be far cheaper. But as Nick pretends to be a better man he becomes one. He remembers why he fell in love with Maya, and what a great couple they can be. Everything seems to be back on track. Until Maya finds out exactly what Nick had been planning.
