During the Terror of the French Revolution, the Daughters of Lilith, a cult of female vampire assassins, makes noblewoman Adriana Dupr one of them. They later manipulate her into killing her ancestors and set her younger sister Dominique, now also a vampire, against her. Adriana swore revenge. The centuries passed, taking Adrianas bloody vengeance into the modern era. She encounters Dwyer Strathan, a dark sorcerer who poses as a Hollywood bad boy. He offers her a deal: if she retrieves the three mystical relics called the Vyntari shards for him, he will give her the information she needs to destroy the Daughters and redeem her sister. The deal sends Adriana from the soulless glamor of Los Angeles to the seedy underworld and haunted forests of Berlin. She combats werewolves, a golem and the Knights of Vyntari, warrior sorcerers charged with the protection of the shards. The Knights challenge Adriana to consider that no good has come from her violent path of vengeance. Might there be another way towards salvation And is the redemption of her sister worth giving Strathan the power of the shards the power to...
