Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Half vampire, half fairy, totally unique! Isadora Moon is special because she is different. Her mum is a fairy and her dad is a vampire and she is a bit of both. Isadora's class are going on a school trip to an old castle. The castle is a little bit spooky and it doesn't help that there's thunder and lightning outside. While Isadora investigates the castle dungeon she discovers a surprising new friend. He is a little different, like her, so Isadora is going to have to try and find a way of introducing him to her friends without them getting too much of a shock. With a gorgeous glittery cover, irresistible pink and black artwork throughout, and a totally unique heroine with an out-of-this-world family, this is a beautiful, charming, and funny series of first chapter books. Perfect for fans of Claude, Dixie O Day, and Squishy McFluff, Isadora Moon is the ideal choice for readers who want their magic and sparkle with a bit of bite!.
