

## Swords and Swordsmen (Hardback)

By Mike Loades

Pen Sword Books Ltd, United Kingdom, 2011. Hardback. Condition: New. Language: English . Brand New Book. This magnificent book tells the story of the evolution of swords, how they were made, how they were used, and the people that used them. It doesn't claim to give comprehensive coverage but instead takes certain surviving examples as landmarks on a fascinating journey through the history of swords. Each is selected because it can be linked to a specific individual, thus telling their story too and giving a human interest. So the journey starts with the sword of Tutankhamun and ends with the swords of J E B Stuart and George Custer. Along the way we take in Henry V, Cromwell and Uesugi Kenshin, and there is the most detailed discussion you'll find anywhere of all of George Washington's swords. The chapters on these specific swords and swordsmen are alternated with more general chapters on the changing technical developments and fashions in swords and their use. The reader's guide on this historical tour is Mike Loades. Mike has been handling swords most of his life, as a fight arranger, stuntman and historical weapons expert for TV and stage. He...
