

## The Return of Arthur (Classic Reprint) (Paperback)

By Irvine Graff

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Return of Arthur All manner of fascinating legends cluster about the name of Arthur, the Celtic hero of far-off days, who made forever memorable a corner of England which is now Cornwall, but which in early history formed a part of Wales. It was while I was a child that the legend concerning Arthur's return fired my imagination so that it straightway set forth on a quest which was destined to continue for years. With my enthusiasm kindled by the inscription on Arthur's tomb at Glastonbury: Hic jacet Arturus rex quondam rexque futurus, I searched the pages of English history from Arthur's day to our own, but I failed to discover the individual who fulfilled my conception of the King. Eventually the idea developed that in my own day Arthur might return. There was nothing definite about this at first; it signified rather a groping into the future for the final act of an unfinished drama of the past. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at...
