BRAVO TWO ZOMBIE BOOK 3: THE FINAL SOLUTION (PAPERBACK)

Severed Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Craig Anderson and his depleted team were fighting a losing battle to maintain Fort London as a safe haven for the populace within. Guerrilla tactics developed with each of the independent strongholds in the surrounding areas outside of the fort making allegiances depending on who they believed could win the inevitable war that was coming, the final war. Karl Bruger s hatred for Anderson knew no bounds as he continued building his army of Zombie Mutants with his tame scientist, Jeremy Boardman, but once Boardman had run out of the blood he had taken from Hope, the child who carried an immunity to the plague, Bruger s expansion plans faltered. That would change however when Boardman made a discovery that would fulfil all of Bruger s crazed desires. The conflict when it came would be bloody and without glory, spiralling to an inevitable end. However an unexpected option surfaced when Anderson s team received a radio transmission from across the Atlantic Ocean, a transmission that would eventually lead to an answer but it was an answer that came with nightmares, terrible, terrible nightmares and a pact with the Devil. It was the solution, the final solution.
