The American Medical Association Guide to Home Caregiving (Paperback)

By American Medical Association

Turner Publishing Company, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At some time, most families will need to provide home care for an aging family member who is ill or disabled. While home caregiving provides many benefits, it takes careful planning, support, and patience. The American Medical Association Guide to Home Caregiving provides the information you need to take the best possible care of an elderly, ill, or disabled person in a home setting. Written by experts from the American Medical Association, the book explains such essentials as how to: * Plan and arrange a room to adapt to a loved one s needs * Give medications, maintain hygiene, monitor symptoms, deal with incontinence, provide emotional support, and relieve boredom * Choose a home healthcare provider * Pay for home healthcare, including Medicare and Medicaid, and long-term care insurance * Care for a person with Alzheimer s disease or a terminal illness * Choose between alternative living arrangements such as assisted living facilities or nursing homes * Take care of yourself, the caregiver With advice that touches both the physical and the emotional aspects of caregiving, this supportive, practical handbook...

Reviews

Absolutely one of the best book I have ever study. It is actually writter in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.
