The Relative Territorial Status of the North and the South (Classic Reprint) (Paperback)

By Python Python

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Relative Territorial Status of the North and the South Cuba, united with Florida and Louisiana, would landlock the Gulf of Mexico, and shut in securely the mouths of innumerable tributaries flowing from all directions, watering and draining inexhaustible valleys spreading out eastward and westward two thousand miles to the Appalachian and Alleghany mountains on the one hand, and the Rocky Mountains on the other hand and extending northward an equal distance to the lake plateau, already teeming with human life and human wealth, and capable of sustaining in luxurious ease three hundred millions of people. Such were the elements composing the grand idea of Texas annexation. First, to equalize sectional antagonisms, whether arising in prejudice or passion, in differences of social institutions or of political organizations as thus, to enlarge our domain, but thereby to balance sectional limits to extend our domain, but thereby to balance sectional powers; to increase our resources, but thereby to balance sectional interests; so that oppressive sectional majorities, wanting in the mad exercise of authority, tearing the Constitution into...

Reviews

These types of publication is the greatest publication available. It really is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Lenna Beatty III

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.
