And when he takes a job fixing up businesswoman Lynda Barone s new house, he may be on the brink of making a third: falling in love with a woman as wrong for him as he is for her . except when he takes her in his arms. A woman with everything but love. Lynda couldn t remember the last time she had a date. Eighteen-hour workdays and frequent business trips had really taken a toll on her personal life. She d been so busy carving out a successful career that she almost didn t notice how lonely she d become. That is, until Ben Foster strode into her life. Suddenly the sexy Southern handyman was invading her home, her senses, stirring dangerous fantasies of a love Lynda had convinced herself she could live without. Lucky for them, neither is the marrying kind. Or are they? Stranger things have happened in a place where the most unlikely lovers can suddenly get lucky. Even if luck has nothing to do with it.
