Once upon a time There was a girl, a boy and a dance. The girl shifted into a golden wolf and ran under the full moon. The boy was a prince with an obligation to his kingdom. And the dance was a moonlight ball for the prince to find his princess. Josef and Ella have been in love since they were children, but it was doomed from the start. He is the last of the Gauthier line and the law of the goddess herself states a Gauthier must sit on the throne. Her blessing has assured it for hundreds of years. As shifting females cant carry an infant to term, Ella is not a suitable match for her prince. They both try, and fail, to move on. It is with a broken heart Prince Josef attends the ball. But there, under the light of the full moon, he dances a moonlit waltz and falls in love all over again. Perhaps there is hope after all. A Cinderella Retelling This item ships from La Vergne, TN.
