Brand New Book ***** Print on Demand *****.Excerpt from A Manual of Phonography; Or, Writing by Sound: A Natural Method of Writing All Languages by One Alphabet, Composed of Signs That Represent the Sounds of the Human Voice; Adapted Also to the English Language So as to Form a Complete System of Phonetic Writing, Applicable to Every Purpose Phonography is a system of writing by sound, or of Daguerreotyping speech on paper in so scientific a manner as to represent, with infallible accuracy, all the sounds of the human voice; consequently, not only the English, but all other languages can be written by it, and in a mode, too, beyond comparison, shorter than any other short-hand in existence, and at the same time so legible that it can be read as easily as common print. This art is creating an extraordinary excitement in England. Public meetings and festivals are being held in the principal cities and towns in that kingdom, to commemorate its introduction, and to do honor to its inventor. The Gentlemen of the Press have unanimously adopted it. It has been introduced...
