Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Brick Buy Brick: Book Three: Social Housing Investment, Tigrent Learning UK Limited, The modern day, no-nonsense guide to property investing. The third in the revolutionary 'Brick Buy Brick' series of books in association with Tigrent Learning UK Limited, Social Housing Investment provides aspirational investors with a detailed explanation of how their lives can change with education, motivation and action. Moreover, it is written in a way that is accessible to all. The book shares insights into the often misunderstood world of property investing and how all of us are able to make money from property, both in and out of a recession. Without the plague of non-essential jargon that is often found in similar books, it opens up the doors for readers who are not as well-versed in the subject, allowing them to see that they have a chance at being just as successful as those who are. This book looks at social housing as a specialist buy-to-let strategy, providing details of the opportunities it offers to the investor. It looks at how some investors focus entirely on social housing, where others may use it as an alternative strategy, allowing them to diversify within their portfolios. The book also explains how to find the right properties and prepare them for rental. 'Brick Buy Brick' is a series of books that form the definitive guide to general and specific property investing strategies that are used by professional property investors, on a daily basis.
