Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Shade, Jeri Smith-Ready, Like everyone born after The Shift, sixteen year-old Aura can see and talk to ghosts. She's always found this mysterious ability pretty annoying, wishing only that she could reverse it and have some peace. But when her boyfriend, Logan, dies unexpectedly, Aura is forced to reconsider her connections to the dead. Devastated by Logan's sudden death, Aura realises that her ability to see ghosts might actually be a blessing. Surely a violet-hued spirit Logan is better than no Logan at all? But just when Aura is coming to terms with having a ghost as a boyfriend, she starts developing feelings for her new friend Zachary, who is understanding, supportive and, most of all, alive. Each boy holds a piece of her heart - as well as vital cues to the secret of the Shift - and it's time for Aura to choose between loving the living, or embracing the dead.
