*Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).*

Stepping out of the bus onto the freshly irrigated grass was an invigorating change from the days spent in transit, as voluminous quantities of cool air washed over me. The prison, a Midwestern answer to Alcatraz Island, rose precipitously above an otherwise flat, unbroken sea of green. A glaring Iowa sunrise caused the crenulated parapet of the main building to cast a long saw-toothed shadow across the level expanse of lawn surrounding the stark granite walls.
