WINGS OF MENTRIDAR: AN IMAGINARY TALE OF NOAH AND THE ANGELS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a book for anyone who believes there may be some type of existence beyond the material plane in which humans live, love, struggle and die. Taking the ancient view that beings of tremendous power play a supporting role in human affairs, this tale imagines how busy the host of heaven must have been when the Creator chose a simple man to build an escape vehicle for the salvation of the human race. Wings of Mentridar follows the human and the angelic stories as they intertwine in this cosmic struggle. The search for and protection of wives for the chosen one s sons provide drama, romance and adventure, while the race to get the ark done and all aboard before the rain begins brings a compelling sense of urgency. The reader gets a look behind the curtain as details of life in another dimension are creatively portrayed. Whether one believes the ancient legend of a world-wide flood or not, Wings of Mentridar provides an entertaining glimpse into the affairs of men and angels which is imaginative and thought provoking.
