Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. Chesterton admiraba a Conan Doyle y por supuesto a las historias de Sherlock Holmes. Sin embargo, con el padre Brown logro un personaje que se aleja y muchas veces se opone a las características de Holmes. Ya hemos esbozado el aspecto del personaje central: sacerdote catolico, obeso y bonachon, que, a diferencia de Holmes, no resuelve los casos mediante el analisis logico sino por su intuicion y el conocimiento del alma humana. Otro de los puntos donde marca una diferencia sustancial, es que Flambeau, el ayudante del padre Brown, es curiosamente un expresidiario. Los cuentos que contiene este volumen son los siguientes: La resurreccion del padre Brown, La flecha del cielo, El oraculo del perro, El milagro de la Luna Creciente , La maldicion de la cruz de oro, El punal alado, La condenacion de los Damaway y El fantasma de Gideon Wise.
